Available Colour:

China's leading manufacturer and exporter of sharps containers.

Utilizing advanced production equipment and a rigid quality control system, we provide five different series of sharps containers, totaling hundreds of models. We take great pride in the fact that our products protect both workers and the general public from unnecessary injury or possible infectious disease transmission.

We are keenly focused on applying our advanced engineering and production technology to provide both standardized and custom design solutions that lower costs and supply comprehensive sharps container solutions to our worldwide customers. We promise and deliver to each client a comprehensive product range, new designs, quick shipment, high performance, and low cost.

ISO 9001:2008 Certified, and our products are BS7320, UN and FDA approved. We have more than 100 patents, including more than 20 for sharps containers.

Sustainability is a word that can be used to describe our business relationships, as we value our clients and consistently deliver value to them. To that end we are excited about the prospect of establishing and fostering a mutually beneficial long-term relationship with you and your company, and look forward to that beginning.

## Application of Medical Sharps Container

Medical sharps containers are for properly dispose of medical waste which includes but not limited to, discarded medical needles, scalpels, IV catheters, non-liquid human tissue, body parts, human blood, human blood products, laboratory waste which contain human disease-causing agents, and body fluids.

We use sharps container to ensure all the waste are properly segregated from people to prevent infection and harm in hospitals, clinics, labs and also home care.

## K Series Pocket Sharps Container

- Smart size
- Leak proof and puncture resistant
- Appropriate sliding opening
- Temporary closure & definite closure
- Needle removal cap
- Befitting for the pocket
- Very convenient for outdoor or travel use

Available Colour: 

Model: DMS-K0.2 (Capacity: 0.2L)

Product size (cm)	pcs/case	Carton size (cm)
7.6x3.8x10	200	30x35x42

## F Series

- Most popular quadrate shape
- Leak proof and puncture resistant
- Wide and clear opening for easy disposal
- Counterbalanced door for hands-free disposal
- Ergonomically-designed handle
- Temporary closure & definite closure
- Practical rotating/sliding temporary lid
- Secure perimeter lock for safe usage and transportation
- Easy manipulation
- Comprehensive label details
- Safe to human health and environment
